Bouquetti

Notes from the Winemakers

A true expression of Northern Michigan, this blend of Pinot Noir and cherry wine is a harmonious collaboration of flavors. Slightly peppery, with hints of boysenberry and baking spices on the nose, Bouquetti opens up to a cranberry, orange and strawberry fruit-profile that drifts over your palate. When chilled, the notes of cherry become more expressive; however, when served at room temperature, the fruit-forward Pinot Noir is more prominent.

— *Charlie Edson, Blake Lougheed & Kyle Leppke*

Composition

52% Pinot Noir, 28% Marquette and 20% cherry wine

Production Notes

Crafted from red wine aged in French and American oak barrels for more than two years, this wine is then blended with Montmorency and Balaton cherry wine to bring out the fruitiness and richness of both. Lots used to blend this wine were fermented with the yeasts AMH, 3001, F15 and BRL97.

Vintage: Non-Vintage

Appellation: Leelanau Peninsula

Suggested Retail: \$15
