Dry Riesling 2016

Notes from the Winemakers

Notes of tropical fruit lift off the glass and linger on the palate, complementing this wine's bright acidity and luscious terroir. Delicate and refreshing, this fragrant Riesling carries you on a wave of flavor from the first sip through its lasting finish. Not overly acidic, but certainly dry, this wine's impeccable balance precisely illustrates why Michigan is recognized as a prominent Riesling producer.

—Charlie Edson, Blake Lougheed & Kyle Leppek

Composition

100% Riesling

Production Notes

By picking our Riesling toward the end of harvest, it allows the fruit to further ripen on the vine and develop a deeper flavor profile and mouth-feel. Fermented and aged in stainless-steel tanks, a portion of this Riesling's fermentation was stopped right before its completion in order to retain some of the natural sugars and floral and fruity characters. This wine includes Riesling lots fermented with the yeasts 228, X5 and BA11.
